

Dear parents and guardians:

This letter is to inform you of an opportunity for your child(ren) to receive free dental care through the “Give Kids a Smile” (GKAS) program. This event takes place on **Saturday, February 27 at the Utah College of Dental Hygiene**. This is a one-day event. Volunteer dentists and hygienists will be on-hand to examine your child, perform limited procedures, and refer them for follow-up services after the event if needed. A voucher system will be used for the follow-up services, and those services will be provided at no cost to your family. It will be up to you to schedule appointments with dentists who have supplied the vouchers.

Who is eligible? Uninsured children ages 5-12 whose parents’ annual income is at least 200% below Federal Poverty Guidelines according to household size.

If you are interested, and would like your child to see a dentist at this event, please fill out the enclosed Health History and Consent Form and return it as soon as possible. Please be aware, Utah Give Kids a Smile has limited slots available and once they are full it will be closed. Return this form as soon as possible to secure your child’s free appointment.

Consent form can be found here:

<http://rees.nebo.edu/sites/rees.nebo.edu/files/Health%20History%20Consent%20Form.pdf>

After filling out and signing the form, return it to the school nurse no later than February 12, 2016

If you have any questions about the “Give Kids a Smile” program and this opportunity, please don’t hesitate to call the program coordinator, Clare, at [801-818-3017](tel:801-818-3017).
