

Rees Elementary Halloween Parade Information

Our school Halloween parade is just around the corner and I wanted to remind parents of some important information so you can attend if you would like.

The parade will be on October 31 starting at 9:00 in the morning. We have found doing the parade in the morning allows parents to help their children get ready first thing in the morning rather than take time off to get their kids ready. Parents that come can sit in the gym where we will have lots of chairs set up for you to see all of the students in their costumes. If you sit in the same spot in the gym you will see ALL of the students as each class rotates through the gym.

Rules for costumes:

Students are able to dress up in appropriate costumes. I have allowed masks in the past as long as they are not too bloody or gory. Face paint and hair color are also allowed but please remember that the kids will be sitting all day with the paint on so please make sure it won't be too uncomfortable the remainder of the day. Fake weapons of any kind are not allowed.

Parents are welcome to dress up as well to celebrate the event but we do not allow parents to wear masks to the parade. It is important that we know who everyone is that is attending the parade.

The parade usually last about 30-40 minutes.

We hope to see you here if you dare! ☺
