Principals Message:

October is always one of my favorite months of the school year. The weather is nearly perfect, football games are being played and baseball playoffs are underway. Aside from that, we have many activities of our own. We kick off our Red and Green Ribbon week next week. There are many fun events happening. I want to thank our wonderful PTA for planning and coordinating them. I look forward to our annual Fun Run at the end of the week.

Later this month we have SEP parent conferences. This is a great time to meet with your child and teacher to visit and go over the progress and needs of your child. We love this time meeting with you and hope to see everyone here on October 26th. The success of our students comes from the team of parent, teacher and student working together to achieve the goals we want to reach. This is a time to *Aim High and Achieve!*

FYI:

We have a vacant vice-chair position open in our School Community Council. If you are interested please let me know by October 11th. We will have a voting box available from October 12th-October 17th. School Community Council assists in planning, revising a school wide plan that uses School Land Trust money to utilize with our school needs. This money is used to support student learning, supplies, technology and even hire technicians to assist in academic intervention. If you are interested please email me at adam.gull@nebo.edu.

How Rees Eagles SOAR

Nolan Staheli-Student Council Member:

“Serve and Support means to help younger kids in the halls get to their classrooms. It also means to help clean up trash in the lunchroom. It means helping other kids get safely across the railroad tracks when I'm walking home. If someone is having a bad day, I can be nice to them at recess and invite them to play with me. I can also stand up for someone if other kids aren't being nice.”

Check out the Rees Eagle scarecrow on SF main street in front of Central Bank. Thank you to our wonderful student council and advisors Mrs. Gasser and Mrs. Painter for putting it all together!

We had a wonderful time at our Back to School Celebration. We enjoyed celebrating with our parents and students with great music and food. Thanks for your support!
