

Rees Elementary School

Student/Family Home Reading Program

Name: _____ Teacher: _____

Instructions: The goal of this program is to get students in the habit of reading EVERY day. The expectation is that K-2 students read 20 minutes each night – 7 days a week and 3-6 grade students read 20-30 minutes each night – 7 days a week. This can be accomplished by:

1. Parent / Guardian, sibling, grandparent, etc. read to student.
2. Student reads to someone else.
3. Student reads alone.
4. Any combination of the above occurs.

We look forward to recognizing students who read daily. The weekly goal is met when a student reads every day for 20-30 minutes (depending on grade level). Parents – please sign on the calendar below each day that your child reads the required number of minutes. We encourage students to read!

Each student will get 2 raffle tickets for each week they have read 7 days and 1 raffle ticket for each week they have read 5-6 days. Raffle tickets will be given out at the end of each month once reading calendars have been returned to the teacher. Prizes this year include books, bikes, cash, gift certificates, ipods, pencils etc.

Thanks for taking the time to read to your student, with your student, and for encouraging your student to read!

Please scroll down to print the month you need to track your child's reading.
