Dear Rees Parent/Guardian,

Rees Elementary in conjunction with Nebo School District is committed to bringing unique learning opportunities to our students and we are pleased to introduce a new, free reading service providing digital books through OverDrive (<https://nebout.libraryreserve.com>). OverDrive is now live!

Why OverDrive?

The OverDrive collection is an extension of our physical library, only it's online with 24/7 access to eBooks and audiobooks. It's convenient for students to check out titles at home, on the weekends or during school breaks with no worry about misplacing a book or running up late fees – these digital titles automatically return at the end of the lending period!

OverDrive can help students of all ages read more and improve comprehension. Struggling or reluctant readers, learning-challenged, second language learners, and gifted readers can all benefit from this service.

- Enrich vocabulary and improve comprehension and pronunciation
- Introduce students to books above their reading level
- Teach critical listening
- Help busy kids find time to read

How does it work?

To use OverDrive, students browse our secure custom website, borrow books with their student computer login information, and enjoy anytime, anywhere on a computer, tablet, smartphone or eReader.

Whether a student's interest lies in study guides, classics for required reading, or the latest popular juvenile or young adult fiction, they can find it all in the digital collection through OverDrive at

<https://nebout.libraryreserve.com>

The five easy steps for getting started.

1. Visit <http://app.overdrive.com>
2. Sign up for an Overdrive account.
3. Add Nebo School District digital library.
4. Log in using the same username and password you use at school.
5. Find and checkout books.
