Looked over Trust Land Expenditures.

Money can carry over.

This year we used it to buy 25 iPads for second grade. They will be used for Imagine Learning and Imagine Math (fits into both goals).

If there is excess money it will be used for technology.

This meeting is used to determine how to distribute the Trust Lands funds that the school receives.

Discussed Title 1 funding requirements.

### SIP 2019-2020 Goal #1 (For the next few meeting we will go through the goals one at a time)

Goal was to go from 59% to 61 % of students on grade level or making typical progress.

**We moved from 59% to 73%**

Typical progress means a years growth regardless of whether they are below level or not.

#### Goal Changes:

Our Goal will be for 76% of students to be on level or make typical progress in the 2019-2020 school year.

The goal will change from exclusively third grade to K-3 students.

#### Action Plan Changes:

More resources for ESL students and families. Specifically with home connection.
