

12/11/2018

School Community Council

In Attendance: Adam Gull, Nate Wright, Sasha Tew, Tarynia Garrett, Wendy Mason, Lindsay Edvalson, Morgan Fourtz, Amberly Collett, Tiesha Christensen, Lindsay Davis, Cara Vakalala, Hattie Hutchings, Angela Larsen, Andrea Osborn

Review Budget

Red Box is salaries (usually used for technicians)

Blue Box is for Professional Development - including paying for substitutes in the school

General supplies is used for reading carnival supplies including pizza and root beer float party

Caveat is - if there is excess funds it is put into the plan that it will go toward buying more technology

Used budget from previous years to help with current year budget

Data from previous year

Language arts is at 36%, state is 44% and district is 43%

Mathematics is 54%, state is

Science 52%, state is

Review and Complete Goal #2:

Find typical progress information for January meeting so we can make a goal for January.

School Improvement Plan Goal #3:

Add action plan item to put money toward field trips for the whole school (\$2000 total to spend).

“Provide science based field trip opportunities for each grade level.”

Budget is based on enrollment

Our boundaries will be changing for next school year.

Add professional development as a bucket item.

Measurement of Success: Rise Assessment
