Read Minutes

Discussed Some Behavior Changes:

Went over some changes with the 200 board.

Giving prizes for each SOAR Slip

Letting students build up for a bigger prize

Steal the principal's chair, prizes for specific grade level.

Submitted Trustlands Fund:

Used for reading and Math

Everyone approved that

Celebration:

We have been using a Literacy tracker and we are currently at 85% on grade level for the whole school. Well done teachers and parents!

Movements in School

Amy Darrington - Principal at Cherry Creek

Heidi Groneman - New Title 1 Coordinator

Jill Darrington - Move to 2nd

Carla Nixon - Move to 3rd

Hired New 1st grade teacher

District is no longer paying for transitional 1st, so we are playing by ear to see if we decide to keep that or not.

School Improvement Plan:

No other questions or changes.

Anything else on your mind?

Summer reading library

Email or Facebook Post

Timing was hard - changing to more than one time of day

Send students home with their reading level and list of books for their level

SORA (used to be Overdrive) digital resources

Reading Challenge - Grade they are going into will give them a challenge to read specific books or genres.

Cherry Creek has a mailbox outside their school to exchange books. Lending Library.

School Wide Plan:

Communicating with everyone about everything

One thing we need to improve is communicating with ELL families

Everything in Spanish

Having translators available

Making parents aware of translators

Making Personal Connections and invitations

Goal 5:

Goal: All students will be accountable to high behavior and social expectations, accept ownership for actions, and have opportunities for recognition and improvement. School will have increased community communication and involvement.

Action Plan(s):

1. No changes
2. No changes
3. No changes
4. Change wording just a bit to add field trips and assemblies at the end.
5. No change
6. No change
7. No change

School Wide Plan: This is different from the School Improvement Plan, with the goals that we have discussed. Parent and Family engagement is part of school wide plan. As is the needs assessment.

Needs Assessment:

- Collect Data
- Discuss within group where we want to improve
 - spend money according to those goals

Questions:

- Using data from dibels and Rise assessments.
- Math and Science are strong, literacy is a weaker point within our school
 - Programs include AIR, reading carnivals, take home library
- Behavior issues affecting learning or safety in fifth grade
 - Address a stronger consequence system within the school.
 - Less tickets for reward party

- Do something that they don't like during lunch detention
- More tangible consequence

Dates

Next Meeting will be March 29th.
