Principals Message:

We are in full swing at Rees! I have been impressed with our students and the great work they are doing in the classroom. I know that is because of the amazing parents and faculty at Rees!

Speaking on behalf of the school- I know you don't see everything the teachers and staff do each day, but they are so dedicated to our students and work so hard to provide our students with the best education they can get. We are off to a great start because of them. THANK YOU!

I invite you to meet our teachers at our Back to School Celebration Monday, September 18th! We will enjoy hot dogs and gather for musical entertainment from an amazing singer– Ashley Garbe Smith, who you may have seen perform at Fiesta Days. It will be a wonderful time to mingle and celebrate Back to School Night and Rees Elementary.

The past couple of weeks we have kicked off our new motto *Rees Eagles S.O.A.R!* Teachers have prepared lessons to teach our motto and school rules associated with S.O.A.R. You may have heard your kids talk about Serve and Support, Own our Actions and Words, and Aim High and Achieve. It is so nice to see students helping others, being responsible, setting goals and learning respect. I look forward to seeing students implement this further in their schooling and at home. Our hope is to help students reach their full potential and these attributes will serve in that purpose.

“If you associate with Eagles, you will learn how to SOAR.”

As part of the kick off event, students had an exciting visit from Sundance, a Golden Eagle from the Great Basin Rehab located here in Spanish Fork. They were able to learn some neat facts about Eagles that go along with S.O.A.R. The students loved seeing the giant Golden Eagle spread its wings.

Students took a pledge to S.O.A.R by tracing their hand and added it to the eagle's feathers to create the wings. We know our Rees Eagles will fly high this year!
