Have you ever asked yourself:

- What's my "role" as a parent in the IEP process?
- Where can I go for help and questions about my child's IEP?
- How do I best communicate my concerns with the school?

This **FREE** workshop will help parents understand their role, rights and responsibilities in the IEP process. They will learn how to effectively prepare for, participate in and follow-up on IEP meetings held on behalf of their child. Parents will also learn tips to help them work more effectively with their IEP team. There will also be **PRIZES** given!
