- Review and Finalize Goals:
  - Went over Acadience test scores from the beginning of the year to the middle of the year.
  - School is working on phonics
    - Countdown, Blast, and HD Word
    - Heggerty
  - Teachers are doing lesson studies within their grade levels
  - Looking into iReady as part of a summer home learning option?
  -
- Safe Route Plan
  - Crosswalk at the top of Rees Ave. still very dangerous. Kids push the light and cars are not stopping to let them cross.
    - Cars are also parked on the street makes it hard for cars trying to turn to see.
  - Lines in loading/unloading areas need to be repainted.
    - Get signs for the wrong way, do not enter, busses only, etc.
  - Remind the parents that students need to cross the street at the crosswalk. They need to wait for a crossing guard, parents should not be waving their students across the street.
  - Kids are climbing on the underpass and playing underneath/running down the underpass towards the road.

End time 12:25

Next meeting finalize Safe Route Plan
